MEMORANDUM FOR DAVID A. GRANT
DIRECTOR OF PROCUREMENT
INTERNAL REVENUE SERVICE

FROM: Pamela J. Gardiner
Acting Inspector General

SUBJECT: Report on Audit of Direct and Indirect Costs for Fiscal Year 2001
(Audit #200210002.029)

The Defense Contract Audit Agency (DCAA) examined the contractor's Research and Development Company July 2, 2001 certified final indirect cost rate proposal and related books and records for the reimbursement of Fiscal Year 2001 incurred costs. The purpose of the examination was to determine the allowability and allocability of direct and indirect costs and to recommend contracting officer-determined indirect cost rates for the period February 1, 2000 through January 31, 2001. The proposed rates apply primarily to the contractor's flexibly priced contracts.

The DCAA stated that the contractor's indirect rates are acceptable as proposed. Additionally, claimed direct costs, subject to the qualification, are provisionally approved pending final acceptance.

The DCAA qualified its audit report because the results of the assist audits for the subcontract costs had not been received. The results of the assist audits are considered essential to the conclusion of this examination.

The information in this report should not be used for purposes other than that intended without prior consultation with the Treasury Inspector General for Tax Administration regarding its applicability.
